In respect of the fact that ***Nurturing Traditions: An International Refereed Journal on Himalay*** accepts my abovementioned article for publication:

1. I/We verify that the said article has neither been published before nor under consideration with any other journal. I and other coauthor(s) have not transferred any rights of the article. I/We declare that the work to be published in this article is our original contribution, and has not been published elsewhere.
2. I/ we have not plagiarized the material from any book/web source and know about the plagiarism and its ramifications.
3. I and other coauthor(s) hereby give and transfer the rights to publish of the article. In case any other organization or individual wishes to reprint the same, then they will have to seek the permission of either the editor of the journal or the author/co-authors of research paper and will cite the reference of this publication. I realize that journal as copyright owner has authorization to give consent to reproduce the article.
4. In case our article is accepted by the peer-review committee I/we will deposit/ transfer/pay the requisite processing fees/subscription fees to the editor.

We further declare that the authors have no competing interests and all listed authors have read and approved the publication of article. The correspondence with regard to publication of paper must be made to the undersigned/ corresponding author.
